Message From the Principal

Greetings Terrebonne Students, Families and Community Members—

The end of a school year is always bittersweet. While all of us are exhausted (school staff, students, and parents) and in need of a potential break from the day to day grind of teaching and learning at high levels, there is a bit of sadness as the year closes as the strong relationships we have made with your children will be put on hold for a period of time. Students process this "ending" in a variety of ways including excitement, sadness, trepidation, and anxiety. I assure you, we will do everything in our power to help this significant transition in their lives be as smooth as possible.

Each year produces new and exciting challenges (and some that make me want to cringe). By most measures, this year was very productive, with many students making significant amounts of academic and social and emotional progress over the course of the year. Students are making great strides in the areas of math, reading and writing, but something I am most proud of is the focus that many of our teachers have of including a wide variety of integrated enrichment opportunities which are highly engaging for students throughout the year (art, music, and technology integration, Storyline, etc.).

One week of a break (maybe two) is sufficient for me and then I am ready to get right back in the game. Might sound strange to include in my end of year message, but I am already looking forward to next year! I hope your school year ends on a high note and that your summer is filled with lots of activities to keep your kids engaged! September will be here before you know it.

As always, I encourage you to partner with us on this journey called education and to share your thoughts and ideas with me at any time. My door is always open!

Trevor Flaherty, Principal

Fun Run Results

Terrebonne's annual Fun Run was a terrific success again this year. Our students ran, and ran, and ran and gathered pledges totaling **\$18,009.00** as of May 30th. Pledges are still being accepted in the school office. We certainly appreciate the support that our Terrebonne families and community members give to our school, and our students continue to be truly amazing.

Please give a huge "Thank You" and support to our Business sponsors:

New 2018-19 Kindergarten Students

Terrebonne Community School will be holding a short KG orientation opportunity on Wednesday, June 6th, from 3:00-4:00pm. If you would like to bring your new KG student to school to see the classrooms and meet the teachers, please plan to join us on that day.

2018 Terrebonne Cougars Track & Field

This season was exciting to say the least. First our 8th grade boys won the District Team Championship. There were several first place finishes at the District meet. Equally as impressive was the fact that every member of this year's team set Personal Records several times during the season and most set PR's at the district meet. This season was loads of fun for everyone.

We are looking for new runners to step up next year in both Cross Country and Track. Coach Manley will be handing out a flyer to all 5th, 6th and 7th graders to invite all to join the fun next season.

Track Team Members:

Finn Anspach	Lily Bezdek	Noah Brantner	Kloey Frederick
Danika Heaton	Serena Heaton	Mason Hess	Korey Lane
Micah LeBlanc	Makayla Macy	Gabriella Mallorie	Jamie Manley
Ryan Martin	Nate Mundy	Martha Reyes	Josiah Singleton
Kiara Troutman	Lily Troutman	Andon Walker	

Medications at School

If you have any prescription or over-the-counter medications at school, please be sure to pick them up by the last day of school, Thursday, June 14th. Otherwise, they will be discarded over the summer.

Lost and Found Items

Please check the lost and found items located in the school's lobby area for any items that may have been "misplaced" over the last few months. These items will be donated to the local thrift shop after the last day of school.

PTC News

Carnival Night at Terrebonne Community School was an evening filled with fun, games and activities. This event with auction baskets raised a little over \$1300.00 for the PTC . PTC uses these funds to help purchase needed equipment (technology, playground, classrooms, etc.) for Terrebonne School. Thank you to all those who attended, donated items for the auction baskets, and supported our PTC. Final PTC meeting for this year will be held on Thursday, June 7th, at 5:30pm in the Terrebonne Library.

Terrebonne “Refinement Plan” (From the Oregon Department of Transportation)

If you live, work, or shop in or near Terrebonne, you know U.S. 97 has grown busier the past few years. ODOT wants your input on how to make it safer and more accessible for everyone.

With over 10 years of increasing traffic, U.S. 97 has become a challenge for the Terrebonne community. It is difficult for vehicles to turn onto and off the highway, particularly at major intersections such as Lower Bridge Way. In addition, it is challenging for people trying to cross the road to access schools, businesses, and homes in the center of the community.

ODOT is working with the Terrebonne and Crooked River Ranch communities to address these issues. The Terrebonne Refinement Plan is a chance for people who know the road to help plan and prioritize solutions.

Public Open House Please join us at an open house meeting:

June 13, 2018, 6-8pm at the Terrebonne Community School

Find out more about the project and tell us your experiences—where do you see problems most often, and what do you think would help most?
