Message From the Principal

Greetings Terrebonne Students, Families and Community Members—

It's May 1st today and I can hardly believe it. It has been a great year so far, and I know the final push will be equally as great!

My message this month is a focus on our recent Fun Run. The generosity of the community in my view is tremendous, and is one of the many components that adds to the special feel of our school.

Often I get questions in regard to how we spend this money so I thought I would share with you a list of examples of where these funds go. Fun Run dollars support our students both directly and indirectly in the following ways:

Chromebooks
Student rewards and incentives
Schoolwide movie licensing
Storyline professional development
Supplemental program licenses
MS Outdoor School
Cougar Den Supplies
Supplemental classroom supplies
Supplemental PE equipment
Counseling support
Children's books
Enrichment activities

Headphones
I-pads
Field trips
Web Day
Planners
Scholarships for activities
Student Store Supplies
Scholarships for sports
Sports Uniforms & Supplies
Apps for tech devices
Family nights

By no means is this an exhaustive list as there are far too many items to list everything that Fun Run money supports for our students and staff. As you can see however, this money is used to provide opportunities for our students we otherwise could not afford. This is why we
