Message From the Principal

Greetings Terrebonne Students, Families and Community Members—

Another school year is coming to a close. As a parent myself, I understand fully the anxiety this brings as we are all searching for ways to handle the summer down time in a way that allows us to maintain our work schedules and provide opportunities for our children that are safe, substantive, and cost effective.

The last week in May, our focus for Morning Gathering was creativity. Middle school students helped me with a demonstration on creativity using boxes. I followed this demonstration with a read aloud of the book, **Not a Box**. The premise of the book, and our demonstration, capitalized on challenging the creative spirit of children, detailing all the ways they can use a box for play (more importantly, something that does not require a screen). Below is a link to the video version of this book, and I hope it can provide some inspiration as you head into the summer months.

The 16-17 school year has been a whirlwind of emotions for me, with many highs and lows. As I look back, I am proud of the things we accomplished with your children, both academically and socially. I recognize too there are things we as a school need to continue to work on to provide an optimal learning environment for our entire student population and their families. I am excited about my time to reflect upon the year over the summer, and come back first thing in August refreshed and ready to go for another year.

As always, I encourage you to partner with us on this journey called education and to share your thoughts and ideas with me at any time. My door is always open!

Fun Run Results

This year, Terrebonne Community School students were able to raise a WHOPPING \$21,034.40 in pledges for our annual Fun Run. The weather was beautiful on the day of our Fun Run and the energy level was high. Thank you to all of our parents, community members and local businesses who sponsored our students to help make this a very successful fundraiser once again this year.
